

# Leadership on Climate Transition - PepsiCo sponsored Climate School

## WHAT IS LoCT or LEADERSHIP on CLIMATE TRANSITION?

PepsiCo is expanding the opportunity for key Value Chain Partners (Suppliers, Franchise Bottlers and Contract Manufacturers) to participate in this online Climate School. LoCT is organized in partnership with Guidehouse and a collaborative of over 25 branded companies like PepsiCo and for example Mars, McCormick, Heineken, and KO.

## WHO IS IT FOR?

Companies at all levels of climate maturity. From those just starting out, to companies who have been making climate progress for years.

## WHAT'S OFFERED?

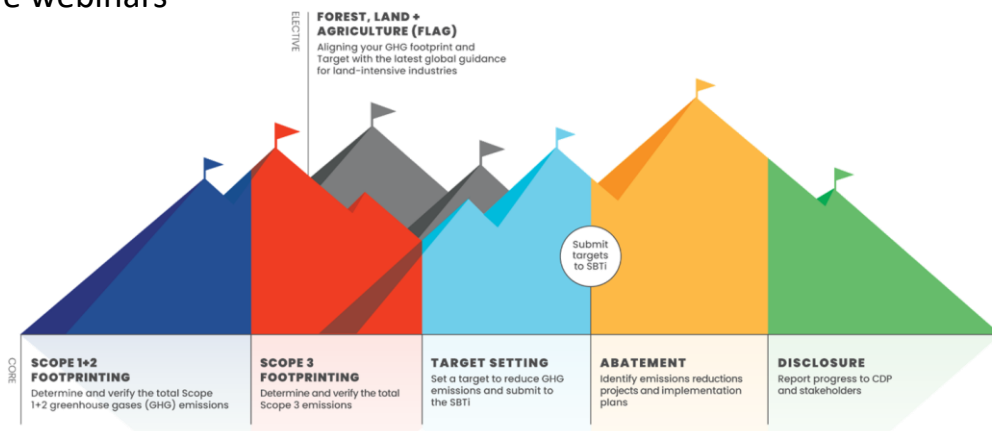

- Seminars with expert instructors in English and live translated into Spanish, French and Mandarin – rewatch recording through the learning platform
- **2 seasons per year** - fall and spring - a partner takes 1 out of 6 increasingly advanced modules per season – each with 4 webinars and 4 assignments.
- Additional resources and expert support through the learning platform and live webinars

## NEXT STEPS

- 1 Contact your PepsiCo Contact to get you invited to the program (or email [spa-sustainabilityaction@pepsico.com](mailto:spa-sustainabilityaction@pepsico.com))
- 2 Once confirmed, an email will go out from Guidehouse.com
- 3 Complete registration through the provided link in the email

## WHAT'S IN IT FOR the VALUE CHAIN PARTNER?

- PepsiCo sponsors the Value Chain Partner to participate Expert guidance and support along their climate journey
- Networking with peers
- Up to 5 people by partner can get registered each season
- Enables the setting of Science Based Targets
- More information here: [LoCT Website](#)

# Courses are offered twice per year in the Spring and Fall

	Spring				Fall																							
	April				May				June				July				August				September							
	October				November				December				January				February				March							
Approximate Week of the Month	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4	1	2	3	4
Welcome to Supplier LOCT				•																								
GHG Footprinting Scope 1+2					•					•				•				•				•				•		
GHG Footprinting Scope 3						•					•				•				•				•				•	
Target Setting							•				•				•				•				•				•	
Abatement								•				•				•				•				•				•
Disclosure								•				•				•				•				•				•
Energy Efficiency & Renewable Energy							•				•				•				•				•				•	

- Each course offers five, 1-hour live seminars
- All sessions are held at 10:00 AM ET / 4:00 PM CET
- All courses except for Disclosure and Energy Efficiency & Renewable Energy are held on Wednesdays. These courses are held on Thursdays
- If suppliers miss a seminar, they can watch a recording on the Supplier LOCT Learning Platform

Please find [here](#) more information on the program. PepsiCo was a cofounder and helps our extended supply chain to set Climate Goals. It consists of 5/6 modules that they take in cohort style by with two seasons per year:
