

LEADERSHIP ON CLIMATE TRANSITION (LOCT)

A multilingual, industry-collaborative program equipping value chain with the tools and guidance to measure emissions, set climate targets, and drive action.

Program Objective: Accelerate decarbonization of PepsiCo's value chain through climate education and provide practical guidance on measuring emission and setting climate goals and decarbonization implementation

LOCT Foundations

Module 1	Scope 1 & 2 Footprinting
Module 2	Scope 3 Footprinting

LOCT Strategy

Module 3	Target Setting
Module 4	Abatement
Module 5	Disclosure

Implementation Support

Access to LOCT Solution Hub

- 4-month modules, delivered 3x/year
- 7 languages + AI translation
- ~7 hours/month commitment
- Co-delivered with 30+ branded companies
