

RENEWABLE ELECTRICITY PROGRAM: PEP+ RENEW

Program available at no cost for PepsiCo's Value Chain, with the aim to foster collaboration to accelerate the adoption of renewable electricity.

Program Objective: Accelerate RE adoption within PepsiCo's value chain through providing no-cost RE education, advisory support, and opportunities to reduce RE procurement costs through group purchasing

How to Participate	
Step 1	Register & Onboard
Step 2	Access Education
Step 3	Set up a 1:1 advisory call at no cost
Step 4	Purchase RE that makes sense for your business

Join a PPA Cohort

Join PepsiCo and/or peers in signing a Power Purchase Agreement. Reach out to your PepsiCo contact or through the REnew platform to learn more!

- Program Benefits:
- Flexible program open to any third party within PepsiCo's value chain
 - FREE ACCESS to RE educational resources, including a 1:1 advisory support
 - Opportunity to participate in buyer cohorts to achieve more cost-effective RE procurement options
